INTRODUCTION

1. ABOUT THE AML/CTF ACT

- 1.1 The *Anti-Money Laundering (“**AML**”) and Counter-Terrorism Financing (“**CTF**”) Act 2006 (“**AML/CTF Act**”)*’s and the *Anti-Money Laundering and Counter-Terrorism Financing Rules Instrument 2007 (No. 1) (“**Rules**”)* broad purpose is to regulate financial transactions in a way that will help identify, mitigate and manage money laundering and terrorism financing risks.
- 1.2 The AML/CTF Act provides general principles and obligations while detailed operating rules are covered in rules made by the Australian Transaction Reports and Analysis Centre (“**AUSTRAC**”). AUSTRAC is the government agency responsible for administering the AML/CTF Act.
- 1.3 The AML/CTF Act applies to persons who provide specified services (known as “**designated services**”). Persons providing designated services are called “reporting entities”.
- 1.4 Coin Harbour Pty Ltd (“**Coin Harbour**”) provides **one or more designated services** listed in the AML/CTF Act and is therefore a reporting entity. These services are included in the AML/CTF Act because they are vulnerable to abuse by criminals for money laundering or terrorism financing purposes.
- 1.5 The AML/CTF Act adopts a risk-based approach. This approach means that the reporting entity decides how best to identify, mitigate and manage the risk of money laundering and terrorism financing through its business. Reporting entities therefore need to undertake a comprehensive assessment of these risks relative to their businesses. Reporting entities need to be able to demonstrate to AUSTRAC that they have carried out such an assessment and have a documented program in place to identify, mitigate and manage the risk of their products or services being used to facilitate money laundering or terrorism financing.

- 12.2 The AML/CTF CO assesses AUSTRAC's feedback to determine if any changes to this Program are required and implement any such changes as soon as reasonably practicable with the Board's approval.

13. WHAT IS MONEY LAUNDERING?

- 13.1 Money laundering ("**ML**") is the process used to disguise the illegal origin of the proceeds of illegal activities such as drugs trafficking, tax evasion, smuggling, theft, terrorism, arms trafficking and corrupt practices. It is the name given to the process by which illegally obtained funds are given the appearance of having been legitimately obtained.
- 13.2 Whilst initially there was a focus on cash transactions there has recently been a growth in awareness of the sophistication used by money launderers to structure transactions to prevent detection and investment by them in a range of assets within the financial services sector.
- 13.3 There are three main stages of ML:
- (a) **Placement** – the physical disposal of the proceeds e.g. deposit into an account. This is usually when the illegal funds or assets are first brought into the financial system.
 - (b) **Layering** – creating complex layers of financial transactions to separate the proceeds from their source and hide any audit trail to maintain anonymity e.g. transferring investments from one product to another. Many different techniques can be used to layer the funds including use of corporations and trusts. The funds may be shuttled through a web of many accounts, companies and countries in order to disguise their origins.
 - (c) **Integration** – taking the proceeds of ML and placing them back into the financial system so that they appear to be normal business proceeds with apparent legitimacy e.g. settling money into a trust without links to the previous illicit funds with the trust then making investments.

14. WHAT IS TERRORISM FINANCING?

- 14.1 Terrorism financing (“TF”) is often the reverse of ML whereby funds within a legitimate source are put into the financial system and redirected into the hands of terrorist organisations. Where those funds are the proceeds of illegal activities including fraud and criminal activities they may also be captured by AML controls.
- 14.2 Terrorist organisations obtain money from a number of legitimate and illegitimate sources, such as:
- (a) **Illegal Activities** – terrorists obtain funds from illegal activities, such as drug trafficking, smuggling, kidnapping and extortion.
 - (b) **Rich Individuals** - it is increasingly apparent that rich individuals are a critical source of terrorist financing.
 - (c) **Charitable and Religious Institutions** – charitable and religious institutions can be a source of terrorist funding. They are ideal conduits because they are very lightly regulated and do not need to provide a commercial justification for their activities.
 - (d) **Commercial Enterprise** – terrorist organisations may run or own otherwise legitimate commercial enterprise to generate profits and commingle illegal funds. These include jewellery businesses, trading companies, convenience stores, real estate ventures and investment management firms.
 - (e) **State Sponsors** – a number of rogue nations have been known to provide assistance, financial support and safe harbour to terrorist organisations.

This option is available for TTRs, IFTIs and SMRs.

23. SUSPICIOUS MATTER REPORTING

23.1 Coin Harbour adopts a 'Red Flag' policy which requires employees to complete a Red Flag Indicator Sheet (please refer to Annexure B of this Program) for each new client and as a procedure to conduct ongoing transaction monitoring. Coin Harbour's policies and procedures for suspicious matter reporting are set out in the table contained in Section **Error! Reference source not found.**

SUSPICIOUS MATTER REPORTING

Responsible Person	AML/CTF CO
Supervision	The Board of Coin Harbour has overall responsibility and oversight of Coin Harbour's transaction reporting and monitoring program. The Board conducts monthly review of all SMRs submitted during the previous month in order to identify systemic issues.
1. What are the Suspicious Matter Reporting obligations?	
General Rules	<p>Coin Harbour must submit a SMR to AUSTRAC if:</p> <ul style="list-style-type: none"> (a) Coin Harbour commences to provide, or proposes to provide, a designated service to a person; or (b) a person requests Coin Harbour provides a designated service (of a kind ordinarily provided by us), or (c) a person makes an enquiry to Coin Harbour as to whether it would be willing provide a designated service (of a kind ordinarily provided by Coin Harbour); <p>and Coin Harbour forms a suspicious <u>on reasonable grounds</u> that:</p> <ul style="list-style-type: none"> (a) a person (or their agent) is not the person they claim to be, or (b) information we have may be: <ul style="list-style-type: none"> (i) relevant to the investigation or prosecution of a person for: <ul style="list-style-type: none"> A. an offence against a law of the Commonwealth, a State or Territory; B. an evasion, or an attempted evasion, of a taxation law (as defined in the <i>Taxation Administration Act 1953</i> (Cth)) or a law of a State or Territory that deals with taxation; or C. a ML/TF offence; (ii) of assistance in the enforcement of laws relating to proceeds of crime; or (c) providing a designated service may be: <ul style="list-style-type: none"> (i) preparatory to committing an offence related to ML or TF, or (ii) relevant to the investigation or prosecution of a person for an offence related to ML or TF.

Who is covered by the general rules?	Existing, new or potential customers, or an agent of an existing, new or potential customer.

2. Identification of Suspicious Activities and Suspicious Customer Behaviour	
Red Flag Policy	Coin Harbour adopts a 'Red Flag' policy which requires employees to complete the Red Flag Indicators Sheet and put a red flag when a red flag indicator exists.
Red Flag Indicators	<p>Coin Harbour develops a list of Red Flag Indicators Sheet (Annexure B). This sheet is updated on an ongoing basis.</p> <p>Coin Harbour requires a copy of Annexure B to be completed:</p> <ul style="list-style-type: none"> (a) for each new client – before the provision of a designated service; and (b) for existing clients – on a half yearly basis or whenever the AML/CTF CO considers necessary.
What happens when a Red Flag is identified?	Reporting Line:  <pre> graph LR Employee[Employee] --> Supervisor[Immediate Supervisor] Supervisor --> AMLCTF[AML/CTF CO] AMLCTF --> AUSTRAC[AUSTRAC] </pre>
	Existence of 1 Red Flag:
	The employee responsible should:

	<ul style="list-style-type: none"> (a) conduct the enhanced due diligence procedures set out in this Program and refer the matter to the immediate attention of their supervisor – the employee must not discuss the matter with anyone else except his/her immediate supervisor or the AML/CTF CO; (b) the supervisor will report to the AML/CTF CO once the results of enhanced due diligence are received; and (c) the AML/CTF CO will then make an assessment on whether an SMR is required.
Suspicion in relation to the identity of a customer	<p>If the AML/CTF CO is notified of a suspicion relating to the identity of the customer, the AML/CTF CO must, within fourteen (14) days commencing after the day on which the AML/CTF CO was notified of the suspicion, do one of the following for the purpose of enabling the Coin Harbour to be reasonably satisfied that the customer is the person that he or she claims to be:</p> <ul style="list-style-type: none"> (a) review all KYC information in respect of the customer; (b) re-verify, from a reliable and independent source, any KYC Information that has been obtained in respect of the customer; or (c) verify, from a reliable and independent source, any previously unverified KYC Information that has been obtained in respect of the customer. <p>If:</p> <ul style="list-style-type: none"> (a) after reviewing the enhanced due diligence information from a customer in accordance with this Program, the AML/CTF CO is still not satisfied that the customer is who they claim to be; or (b) the AML/CTF CO is unable to collect any additional information from the customer, (c) then the AML/CTF CO <u>must</u> make a SMR to AUSTRAC.
Suspicion in relation to an existing customer	<p>If the AML/CTF CO forms a reasonable suspicion in respect of an existing customer of Coin Harbour, the AML/CTF CO must, within fourteen (14) days commencing after the day on which the AML/CTF CO formed the suspicion, carry out the applicable customer identification procedures in Part B.</p>
3. Discussion or Communication about the SMR	
Immediate Supervisor or	<p>Coin Harbour's employees or representatives must ONLY discuss the matter with their immediate supervisor, or the AML/CTF CO when their immediate supervisor is not available, unless as otherwise authorised by the AML/CTF CO.</p>

the AML/CTF CO	After the employee forms an initial suspicion about a customer, he/she should use discretion when making further enquiries about the customer, to minimise the risk of the customer realising an SMR has been submitted about them.
AUSTRAC CEO	Once Coin Harbour has fulfilled the obligation to provide the relevant information about a suspicious matter to the AUSTRAC CEO, Coin Harbour's employees and representatives must not disclose to anyone other than the AUSTRAC CEO or a member of the staff of AUSTRAC that the information has been communicated to the AUSTRAC CEO.
4. Submitting an SMR	
Assessment of the situation and SMR	<p>If Coin Harbour's AML/CTF CO receives a notification in relation to a suspicious matter, the AML/CTF CO must:</p> <ul style="list-style-type: none"> (a) assess the information which led the employee to form a suspicion; and (b) determine whether a SMR should be lodged. <p>If the AML/CTF CO determines that a SMR must be lodged in relation to a customer, Coin Harbour will:</p> <ul style="list-style-type: none"> (a) keep all records of the results of any enhanced customer due diligence conducted; and (b) report the suspicion to the AUSTRAC CEO through submitting an SMR in an approved form in accordance with the requirements of the AML/CTF Act and Rules: <ul style="list-style-type: none"> (i) within twenty-four (24) hours after the time when the AML/CTF CO forms the relevant suspicion, if the matter relates to TF; or (ii) in all other cases, within three (3) business days after the time when the AML/CTF CO forms the relevant suspicion; (c) consult with AUSTRAC and other relevant enforcement agencies to determine how best to deal with the customer, if required; and (d) continue to transact with the customer on the usual basis until further advised by AUSTRAC and other relevant enforcement agencies.
5. Can Coin Harbour continue providing services if it has formed a suspicion about the customer?	
The AML/CTF Act does not direct reporting entities to stop providing designated services to, or terminate a business relationship with, a customer, even if Coin Harbour has formed a suspicion about that particular customer. Coin Harbour must determine whether to terminate the relationship with the customer based on its own risk-assessment, procedures and controls.	

<p>The AML/CTF CO will, after submitting an SMR, make an assessment as to whether to continue transact with the customer. If Coin Harbour decides to continue the business relationship:</p> <p>(a) Coin Harbour must not disclose to the customer that it has formed a suspicion and/or communicated the suspicion to AUSTRAC – this is referred to as “tipping off” the customer; and</p> <p>(b) Coin Harbour must continue to comply with the AML/CTF Act in all future dealings with that customer, which may include submitting additional SMRs.</p>	
<p>Tipping Off Provisions</p>	<p>Coin Harbour must NOT disclose to any person (other than AUSTRAC) that it formed a suspicion about a customer or that it submitted an SMR to AUSTRAC. Doing so would constitute 'tipping off', which is an offence prohibited by section 123 of AML/CTF Act.</p> <p>Reporting Entities that submit SMRs also have additional obligations under the AML/CTF Act not to disclose any:</p> <p>(a) information that might reasonably lead a person to conclude that they formed a suspicion about a customer or that we communicated that suspicion to AUSTRAC; and</p> <p>(b) requests from AUSTRAC for further information about an SMR report.</p> <p>AUSTRAC considers that simply asking a customer for additional information (for example, about their identity or the source or destination of their funds) would not constitute an unlawful disclosure of information or an offence under the tipping off provisions of the AML/CTF Act.</p> <p>There are exemptions under the AML/CTF Act for the tipping off provisions which includes when Coin Harbour communicates a suspicion to a legal practitioner to obtain legal advice.</p>
